

UPDATE

March 2022

Just a small update to the different men's Rosary groups, to let you all know that the men's Rosary on the street is going from strength to strength and has spread to many parts of Ireland and around the world.

In the North of Ireland it has been in Derry, Newry, Belfast, Armagh, Omagh and tomorrow in Magherafelt and in the next months Ballymena, Newcastle, Lisburn and Enniskillen with crowds of 200 men turning up, many with their wives in support on the periphery.

The Men's Rosary has really taken off in the Republic of Ireland with Sligo planned for April and Carlingford for the summer and Rosaries already happening in Dublin, Cork, Galway, Tralee, Athlone, Kilkenny, Limerick, Abbeylax, and several sites in Donegal including Letterkenny and Carndonagh and many other areas.

The Men's Rosary started in Poland where every first Saturday there are over 25 towns and cities involved with crowds of men up to one thousand at some of the meetings. It spread from Poland to Ireland and from Ireland around the world.

England, Scotland and Wales are involved as is the USA, Mexico and Ecuador as well as starting in Sydney, Malta and Gibraltar. There is interest from India and Africa and mixed groups of people saying the Rosary have started all over Europe with over 800 sites in France alone where the Rosary is said publicly every Wednesday evening.

We should never underestimate the power of the Rosary, as Fr. Donald Calloway's book *26 Champions of the Rosary* demonstrates: Our Lady said to St Dominic.. "Whoever propagates my Rosary will never be lost".. And this applies to all of us!

In the book *Servant of God*, Fr Joseph Kentenich is quoted as saying "...the Rosary is far more superior to all the weapons of modern warfare in overcoming the enemy of God."

Finally we should not forget how Fr. Petrus Pavlicek set up public Rosaries in Austria after WW 2 to make the Russian communists leave and in 1955 they suddenly upped and left and no reason was ever given.

I am convinced that if enough men say the Rosary on the street on their knees in public that we can completely change the world to a much better and happier place.

God bless,

Owen
